

Rachida

Age: 26

Marital status: engaged

No of children: 3

Occupation: carpet craftswoman - bakery

Location of the house: Douar el Mika-Berkane

"To earn money, I usually bake and sell some bread, "msemen" and 'milletrous" (morocco specialties) and crafts carpets. It's the first time I weave carpets made from plastic and I like this new technique. The incomes allow me to have my own money without asking my husband."
